February 2020

Wishing All a Happy Spring.....

And hoping you'll mark your calendars now for the seventh annual Covenanter Scottish Festival to be held this year on Saturday, the 12<sup>th</sup> of September on the grounds of Middle Octorara Presbyterian Church with activities in the historic Covenanter Church building, the oldest Covenanter Church in North America. Proceeds from this festival help the foundation not only to maintain the building and to accomplish long-needed repairs (drainage comes to mind) but also to continue research on keeping the building as historically accurate as possible. We also maintain the Museum Room behind the sanctuary and collect and catalog items of southern Lancaster County history. The Museum Room was built as an Academy to educate the children of both congregations as well as neighboring children. In the early 20<sup>th</sup> century, it became Bart (Township) High School.

We hope to see our supporters returning this year and hope to add yet more participants. Check out our Web page at [www.covenanterscottishfestival.com](http://www.covenanterscottishfestival.com) for more information about music, dance, and athletic events!

Looking forward to seeing everyone in September - return your registration form either by mail or electronically. To encourage early registration, participants registering after 12 August, pay an additional \$10.00.

Many thanks for your contributions to our success!
